WELCOME TO KEITHCOT FARM PRIMARY SCHOOL

Keithcot Farm Primary School has had a long reputation for being a school of choice. I am sure that you will also find a sense of pride, and enthusiasm for learning and a desire, not to just be a good school but a great school.

Our School Values are:

Respectful, Collaborative, Powerful Learners

Our school vision is:

'Quality Teaching and Learning in a safe and supportive environment in partnership with our community'.

Our everyday curriculum, our strong emphasis on behaviour, respect, good manners and the culture of this school give our values real substance.

We have an aspiration that our students will be great adults, employable and great members of our community.

The partnership that exists between the school and home is vital to the ultimate success of our students.

I encourage all parents and caregivers to find ways of connecting with their child's learning and wellbeing in what are the crucial years that students develop their positive mindsets and attitudes towards life.

Derek Gallamore
Principal

Keithcot Farm Primary School

SCHOOL VALUES

1 RESPECTFUL

Being RESPECTFUL allows yourself and others to do and be their best. It is the goal of our school to create a mutually respectful atmosphere between all individuals, including administrators, teachers, staff members, students, parents, & visitors.

2 COLLABORATIVE

Being COLLABORATIVE is when members of our inclusive learning community work together as equals to achieve successful learning outcomes.

3 POWERFUL LEARNERS

A POWERFUL LEARNER experiences learning that engages the heart and mind. Powerful Learning is personal, accessible, authentic, challenging, connected, inquisitive and reflective.

Communication

Class Dojo

We use Classroom Dojo as our primary means of classroom communication across the school. Classroom Dojo can be installed on your mobile phone or accessed through a web browser.

Email

Email is a primary method for our whole school communication with families. This enables us to get information to families in a timely and convenient manner.

Uniform

Uniform

The Keithcot Farm School Governing Council strongly supports the wearing of a clearly identifiable school uniform and all students are expected to wear the Uniform.

We believe that the wearing of our school uniform:

- promotes pride in our school
- enhances our public image
- encourages appropriate clothing for activities
- helps to reduce peer pressure
- provides additional safety in the school yard.

Uniform Shop

Our uniform provider is:

Devon Clothing
Clovercrest Plaza Shopping Centre,
Shop 24, 429 Montague Road, Modbury.

Phone:83507930

Email: modcus@devonclothing.com.au

Opening Hours are:

- Mon - Fri 9am - 5pm
- Saturday 10am - 1pm
- Sunday & Public Holidays - Closed

LEARNING & WELLBEING

Learning is about so much more than it was many years ago.

Teaching and learning is now about developing skills and dispositions, which our students can utilise throughout their life.

We aim for students to be creative, analytical, resourceful, resilient, courageous and collaborative. These skills will ensure that they can adapt to the many challenges they will face, both personal and professional, in life.

We teach the Australian Curriculum.

English
Mathematics
Science
Specialist Subjects

- Technologies
- Health and PE
- Japanese
- Performing Arts

Instrumental Music Program

Over 150 students also have access to our instrumental music program. This includes weekly onsite lessons with an external provider for guitar, drums and piano.

Festival Choir

The school is strongly involved in the festival choir program each year. A junior choir also operates at the end of the school year.

Zones of Regulations

The Zones of Regulation program is an empowering instructional tool to build safe, supportive environments that foster learning and well-being for all.

Students benefit from:

- Increased self-awareness and social and emotional skills
- A common language for communication, problem solving, and emotional understanding
- More time spent on learning instead of behaviour management
- A healthier, more inclusive school climate

Additional Activities

The school encourages students to participate in a number of activities to broaden their learning and wellbeing.

- Premiers' Reading Challenge (whole school)
- Premiers' Be Active Challenge (whole school)

LEARNING & WELLBEING

Students with Disabilities and additional needs

We have students with special curriculum needs ranging from a disability to a learning difficulty, social issues and language issues. Programs and support for these students are managed by the Assistant Principal for Student Services and the Student review Team. Where possible, programs and support is tailored for individual students through a variety of programs.

Allied to You - In school program

Provides individual therapy support for students and is accessible by gaining a mental health plan from your GP or NDIS funding.

Pastoral Care Worker

Our PCW is responsible for supporting the social and emotional wellbeing of all students under the guidance of school leaders. This is often delivered during class, break times and extra-curricular activities, to students, parents and staff.
