FROM THE PRINCIPAL

Our Improvement Journey

As part of our improvement journey we are working as a staff to develop more consistency, collaboration and accountability.

Our work on Pupil Free Day last Friday supported this.

In our year level teams we used the Australian Curriculum resources to collaboratively plan for the rest of the year. Year level planning;

- sets implementation direction for curriculum content for the year level or year levels
- supports intentional learning design across learning areas for the year level (including multi-year level groups).
- provides a progressive sequence of learning content for all learning areas for a given year level

Staffing News

Janette Lovegrove from H3A has now commenced her maternity leave and Judy Burne has become the full-time teacher in that class until the end of the year.

We welcome Ela Colangelo who is teaching in P2A until the end of term 2, as Tammy Dry is on leave.

As we approach the end of Term 2, I want to thank our school community for continuing to observe the recommended practices of;

- not sending students to school if they are unwell.
- using the COVID Safe Check-In when entering school building
- continuing to physical distance wherever possible, including at school pick up and drop off or when attending school assemblies.

This is supporting SA to be a safe state so that we can continue to welcome our school community on site.

Wishing you all the best for our upcoming school holidays and hope you get to enjoy some quality family time.

House 2A have been learning about the past and have made their own history box. They have put items that are special to them from the past in the box.

We read the story of the Gingerbread man and we wrote our own version of the story when the Gingerbread man ran away.

P1C Abstract Art

This term in P1C we have been looking at Abstract Art. Students have learnt about the colour wheel, looking at cool and warm colours as well as mixing colours together. Students have drawn several abstract art designs and characters with new challenges and instructions for each piece they have created. This has extended students ability to create different abstract art pieces and continuously develop their art skills.

Have a look at some of our work!

Physical Education—Term 2

All students have been participating in a fun and challenging 50 minute lesson per week.

Reception – Yr 2: Students have been learning a variety of gymnastics skills and have been challenged to perform skills such as cartwheels, forward rolls, various jumps and rock climbing skills.

Yr 3 – 4: Students have been engaged in the basketball program learning a variety of skills such as dribbling, passing, defending and attacking.

Yr 5 – 7: Students have been participating in the Tag Rugby program. They have been learning about the rules of the sport and a variety of skills such as passing, defending, attacking and team work.

KFPS is turning

30

To celebrate this milestone we are offering our community a selection of commemorative premium wines to purchase as a special keepsake, a gift for family and friends or just as a nice drop to enjoy yourself.

Feel free to join another parent/caregiver in combining your order if you would only like to order one bottle as there is a minimum order of 3 bottles.

All money is paid directly to Prospect Wines via credit card or bank transfer as outlined on the order form. Please do not send any payments to the school. No cash sales available.

Orders will be open from Tuesday 15th of June until Thursday 1st of July. No paper orders will be accepted after Thursday the 1st of July.

All orders after this time period will have to be done via the Prospect Wine website. <https://prospectwines.com.au/product/keithcot-farm-primary-school/>

Mugs are also available on a separate order form for \$10 each and payment can be made via Qkr.

Orders will be available to pick up from the school in week 1 of term 3. No students will be collecting wine orders.

Thank You for your support!
