FROM THE PRINCIPAL

NAPLAN results should be distributed to parents of Year 3 and Year 5 students before the end of term.

Schools have not received student individual results yet.

Year 1 to 6 students are currently participating in **PAT tests** in Maths and Reading, which will be extra information to inform our teaching.

Optional interviews will be offered by class teachers at various times in Week 9. If you would like an interview with your child's class teacher, please ensure that you book online by this Friday 16/9 at 12:00 noon. Information on how to book was previously emailed.

An External School Review was conducted on Tuesday the 6th of September. We have not received the final report yet, but received very positive feedback about the teaching and learning programs that we have in place. Our positive school culture, willingness to collaborate with each other and consistent learning programs were highlighted. Thanks to the parents who participated in the review and well done to our school community!

School Building Project During the October school holidays work will commence on our Outdoor Learning Centre which will be developed at the front of our school. A large structure with tables and bench seats, grassed areas, gardens and rock seat areas will be constructed. We are looking forward to being able to use this with students next term.

PIA & PIB ZOO TRIP

P1A and P1B went to the Adelaide Zoo on Tuesday this week and had a wonderful time exploring the grounds and discovering all the different animals. Mrs Ashworth and Mrs Brook would like to send a big thank you to all the parent helpers who came along to assist the students and help them have a wonderful day to remember.

BOOK WEEK

Dreaming With Eyes Open

In week 5 we celebrated book week. The students have all enjoyed the beautiful displays set up in the library and we have decided to keep them up for the rest of the year.

We held our costume parade on Monday and it was fantastic to see so many parents come along to watch. This was followed by our book week assembly where we got to see all the fantastic costumes. Reading awards were presented to students who had been identified as great borrowers and our Dream Jar competition winners were also announced. Congratulations to all our winners and for all the effort by our families.

For the rest of the week some of our senior students provided some fun by holding face painting sessions in the library at lunch times. It was very busy with lots of happy, smiling faces coming along to join in the fun.
