## FROM THE PRINCIPAL

Welcome back to Term 3. This term is very busy with lots of activities as you will see in the 'Important Dates' section of the newsletter.

We also have a NAPLAN Online Trial in Week 5 on Thursday 22nd August. This information was sent out on the first day of term. It will involve our Year 4 and Year 6 students as they are the students who will be completing NAPLAN online next year.

It is a trial to ensure that we have the technical capacity- to successfully run NAPLAN online.

Student results are not the focus and we won't receive any information about individual performance.

**RESILIENCE EFFORT SAFETY PERSISTENCE EMPATHY CREATIVITY TEAMWORK**

Research proves that working in partnership with our school community provides the foundation for enhanced student wellbeing and learning outcomes.

At Keithcot Farm we support this partnership and highly value our relationships with our school community.

For continued development of our sense of community and belonging we all need to follow what we value as a school which is RESPECT.

We need to be treating each other with respect, and trust that we all want the same outcome, which is a safe and supportive learning environment where our students can achieve to the best of their ability.

There will be times when we don't agree or don't understand why some things are happening, but if we treat each other respectfully then we will all benefit.

As a school community working together and respecting each other, I am confident that we can achieve the best for our school.

# Outdoor Learning with H2B

H2B are having a wonderful time enjoying their new outdoor learning space. We have also painted some large blackboards and put them up in each of the outdoor spaces across all of the houses. Thank you to the fundraising team for donating the equipment used in these spaces. We will continue to create new ways for students to learn through interactive play.

# Learning with our Buddies

**P1D** love helping their buddies learn to read in the library. They have also been teaching them how to use a chrome book and learning new things on study ladder.

## FOODBANK FOOD DRIVE

We'd like to thank all of the community members who donated food for our Food Drive. Over **350 kilograms** of food was donated by our students, families and staff. These donations will make a difference in many people's lives. What a great initiative from our year 7 student leadership team. Well done!

## HOMework CLUB

Last week on Wednesday we held our first Homework Club meeting. We had over 30 students attend, plus the 10 support students from year 6/7. Students worked on their maths, reading, writing, art and one group worked on tying their shoe laces! What a great initiative. We look forward to seeing many students back again next Wednesday. Well done to the year 6/7 students who supported and gave up their lunch time to help out. It is appreciated by everyone here at KFPS.

# SPORTS DAY NEWS UPDATE

**Sports Day is on Thursday 26th September  
(week 10, term 3)**

- All students have now been allocated a sports day team.
- All siblings are in the same team. Please check with the classroom teacher if you or your child is unsure of the team that has been allocated.
- Students must be in their classrooms no later than 8:40am on Sports Day to allow sufficient time for teachers to organise their students for the day and be ready on the oval at 8:50am sharp.
- More information will be sent out to families soon. The program will be available in week 9.
- We welcome families to come along and enjoy the day.
