FROM THE PRINCIPAL

NAPLAN Our Year 3, 5 and 7 students sat the NAPLAN tests this week and approached them in a calm and positive manner. NAPLAN tests the sorts of skills that are essential for every child to progress through school and life, such as reading, writing, spelling, grammar and numeracy. It is important to remember that NAPLAN is not about passing or failing, but about assessing learning progress. At the classroom level it is one of a number of tools used by teachers to measure student progress. Results should be received in August.

Skoolbag To further improve our communication with the school community, we have decided to trial the popular Skoolbag app that many schools in our community already use. You will be able to download the app and access newsletters, the school calendar, event information and other school communication. We will also have a Keithcot Farm School Community portal that will require a password for access. We will provide all members of the school community with the password when we begin to use this particular folder. Please refer to the email sent on Wednesday 16th May with instructions on downloading the app.

The School Locker We have decided to outsource our Uniform Shop to improve convenience and service for all stakeholders. Information was emailed on Wednesday 16th May. The new look Campus Store will be open for business on Tuesday May 22nd at 8:15. Access to on-line ordering will be 24 hours a day, 7 days a week.

Thank you to our Volunteers

Our parent volunteers do a wonderful job in our school in many areas including, supporting classroom learning, sports, school banking, attending excursions and fundraising. I just wanted to take this opportunity to thank our parent volunteers for the amazing job they do in all these roles. We really appreciate your time, effort and support.

OUR AMAZING NEW PLAYGROUND

Our NEW playground is nearly complete and the official opening will be held on Monday June 4th. This playground will be an amazing opportunity for students to connect with nature and expose them to lots of different areas of learning as well as having lots of fun while doing it. The playground will be officially opened by the Hon Member for Wright, Mr Blair Boyer MP.

Japanese News

こどものひ Children's Day

In Japanese students have been learning about

Kodomo no hi.

Children's Day is on May 5th. - **Annabelle P2A**

Children's Day is a special day to celebrate healthy children. - **Isabelle H1A**

A long time ago Children's Day used to be celebrated for boys only, but now it is for all children. - **Maddi P3C**

Parents used to celebrate Children's Day for boys because they wanted them to grow strong and healthy like a Samurai. - **P3C Hannah**

Now days, Children's Day is celebrated both for boys and girls health and joy. - **Hikari P3C**

Japanese people display Koi (Carp) banners.- **Hope H1A**

The Koi is represented by families. - **P3C Charlotte**

The black Koi stands for the dad. The red Koi stands for the mum and the blue Koi stands for the child. - **Chieri P2A**

They also display Samurai Helmets.

Maths in Pod 3B

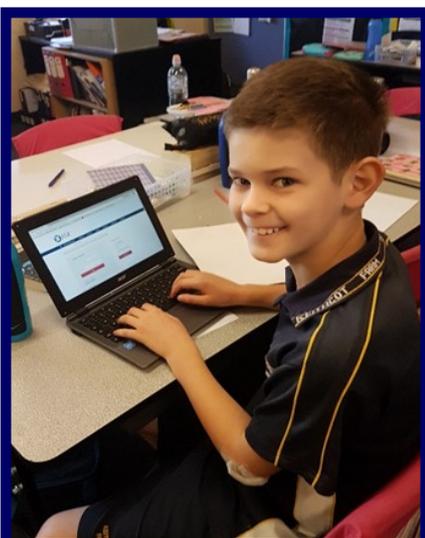

Last term, along with the rest of Pod 3, our class began to play the Australian Stock Exchange (ASX) Share Market Game. Students receive a virtual \$50,000 they can invest over a 10 week period, in 220 companies listed on the ASX. The prices students buy and sell at are the same prices as they would get in the live market so this is as close to real life share trading as you can get. This game ranks students based on their profits and losses, they have played against students from year 5 – 12 across Australia.

Corbin: *The ASX is a fun and interactive way to learn about the stock exchange and share values.*

Jayden: *This is a good learning opportunity for kids from year 5-12 to learn about maths and the stock market. We have learnt about money, how to spend money and how to read charts and graphs.*

Madi: *I thought it was interesting that in one day I could go from \$50,000 to \$32,000. Where does the money go?*

Liam: *When you buy a share you need to work out how much money you have and how much the shares will cost so you know how many shares you can afford to buy. We have also learnt about positive and negative numbers because there are times when your shares have decreased and you lose money. This is bad for your portfolio.*

P2A/P2B Garden Working Bee

Late in term 1 our classes had a Working Bee in the SAKG Garden.

Families came with us to the garden and helped clean it up.

'My mum helped me dig in the dirt'. Lucas B

'My mum and I pulled up the weeds'. Chloe

'My dad and I pulled the weeds and put the bark in the big barrel'. Billy

'We picked up the hay with our mum and put it in the bucket' Brianna and Genna

We had lots of volunteers help us with our Working Bee. Thank you to those families that were able to help out. We had lots of fun with you and we really appreciate your help.

The garden is looking much better.

P2A/P2B are looking forward to planting in the garden this term and hopefully we will have some foods we can cook with later in the year.

P2A/P2B, Mrs Gray and Mrs Dry

P3D CAMP QUALITY VISIT

Camp Quality Visit

Last term, as part of our afternoon presentation *Kids Teaching Kids* program, I invited Camp Quality in to visit my classroom, Pod 3D.

I chose Camp Quality because I had cancer when I was little and they really helped me.

I think the puppeteers delivered an important message that my classmates really understood. It covered a lot including; what cancer is, how it can be treated and how we can support people with cancer.

I think the class enjoyed the show, it was funny and entertaining. My teachers, Mr Braithwaite and Miss Tossell liked it too. Miss Tossell even joined in the play!

It was a terrific morning and I'm happy my classmates learned a lot.

OSHC NEWS

From July 2nd 2018 families Child Care Benefit (CCB) and Child Care Rebate (CCR) will be replaced with the new Child Care Subsidy (CCS) System. Families will need to log onto their account at my.gov.au by the end of June in order to register for the new system and to continue to receive their OSHC care subsidised.

Please go to <https://www.education.gov.au/new-child-care-package-transition-families> for more details.

Keithcot King's OSHC now allows families to book their children in online. . Enrolled families at OSHC simply need to download the "My Family Lounge" app from the app store and put in their email address they receive their statements to. If you have not set a password just click forgot password and an email will be sent to you to set up a new one. From there you can see when your children are booked in, what sessions are available to book into and make your bookings.

You can also change your permanent bookings and family details through a website. Simply go to www.qkenhanced.com.au and click on the parent button. From there you will once again put in your email address and if you don't know your password set up a new one. On this platform you can request to make permanent booking, change permanent booking, notify us of cancellations and change parent and collection details.
