FROM THE PRINCIPAL

Welcome back to Term 3. We are looking forward to a busy and productive term ahead with many special activities planned. Please check the calendar on Skoolbag and on our website, or the important Term 3 dates listed at the end of this newsletter, to keep up to date with all that is happening.

At the end of last term I was really excited to receive the news that I had been re-appointed as Principal of Keithcot Farm Primary School for 5 and a half years. I greatly appreciated the messages of support that I received from the staff, students and parents.

As part of the interview process I was asked to prepare a presentation highlighting our vision for how Keithcot Farm Primary School can continue to develop to be a leading edge school, acknowledged by its wider community for the quality of educational opportunities it provides for our students from R-7.

I thought about all the great things we are already doing, looked at the directions we have in place and where we want to be in 5 years time. To achieve this vision, it requires our staff, students and parents to continue to work together to provide a learning environment where our students can be successful. Communication with all stakeholders is an essential part of this and we will ensure that what we are doing is well-communicated. Our Governing Council provides a forum for parent voices to be heard so please talk to our Governing Council members.

It is a privilege to be Principal of this school and I look forward to all that we can achieve together to make Keithcot Farm Primary a school of choice.

HOUSE 2B - RECEPTION

In the mornings we do Literacy tasks and each group has something different to do. We help each other. We are always very busy learning new things.

Late last term in House 2B we were talking about Farms.

We found out where our food comes from and about the jobs farmers do. We made farmers using shapes.

P1D / YEAR 4 - FIND YOUR TREASURE!

As part of our Book Week Theme our class has been talking about – “What do you treasure in your life?”

What is Levelled Literacy Intervention or LLI?

Levelled Literacy Intervention (LLI) is a small group, supplementary intervention designed for students who find reading and writing difficult. LLI serves those students who do not qualify for one-on-one intervention but are still struggling to reach year level targets. Currently we provide small group LLI three times a week for 31 students from Years 1-6.

Some of the reasons why Keithcot Farm Primary School uses LLI are:

It is a researched and evidenced based program and is supplementary to the classroom literacy program. LLI lessons provide extra assistance three times a week with a home learning component. There are three to four students to a group. The group size ensures close observation and teaching interactions to promote individual learning for all students and to ensure literacy progress. There is a focus on comprehension with students reading several books every lesson and the facilitator providing comprehension support at the literal, inferential and critical level. Fluency is also an important goal. Lessons include a systematic focus on phonics, covering areas such as phonological awareness, letter knowledge, letter sound relationships, letter formation, word structure, spelling patterns and high frequency words.

QuickSmart Numeracy Intervention

QuickSmart Numeracy Intervention program is for students who will benefit from improving fast and accurate recall of basic number operations of addition, subtraction, multiplication and division who are in Years 4 and 5. Students complete 30-minute lessons, three times a week, over a period of 30 weeks. Students are chosen from the end of year PAT maths testing that all students complete.

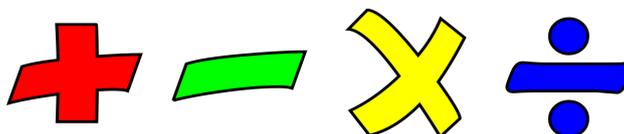

Mathematics intervention sessions include: timed recall of basic number facts from a targeted set of focus number facts; speed sheets that also relate to the same set of focus facts and include extension number facts; opportunities to consolidate the use of strategies for calculating number facts; the use of a prompt scaffold to solve mathematical problems and establish knowledge of problem-solving routines; and regular testing on tasks from the CAAS bank of mathematical tasks.

We currently provide 12 students with this program. Quicksmart as our Maths Intervention program is currently under review. It is likely to change in 2019 to cater for more students across a wider range of maths skills.

These programs are coordinated by our Assistant Principals and run by trained SSOs.

Families are consulted about their child's participation and provided with information about progress.

GOVERNING COUNCIL

At the last Governing Council meeting held on Tuesday evening our Governing Council members discussed how they could engage with the school community. As a committee that is the voice of all parents and caregivers they would like to hear from you. If you would like to offer any feedback or suggestions regarding the GC's role in the decisions they make on your behalf with exception of student education, we invite you to do so by sending an email to.....dl.1847_info@schools.sa.edu.au

Please attention it to the Governing Council Chairman, Darren Walker.

Please feel free to speak to any of our Governing Council Members in person as well.

SPORTS REPORT

Congratulations to the following students who have been selected to represent our district at the State Athletics carnival at Santos Stadium in week 10.

Marie Tsalavoutas, Dakota Whyte, Kimberley Colling and Kane Boddington

We wish our students all the best.

SAPSASA Netball

Two of our netball teams will be participating in our District Netball carnival on Friday 10th August. Good luck girls!

SAPSASA Boys' Football

Unfortunately, we didn't have enough year 6/7's to make up a team this year and we have called upon some year 5's...The boys will also be playing on Friday 10th August.

School Football and Netball teams

Thank you to the wonderful parents that have supported these teams and in particular our football coach, Clive Williams and Wendy Eddleston our netball coordinator.

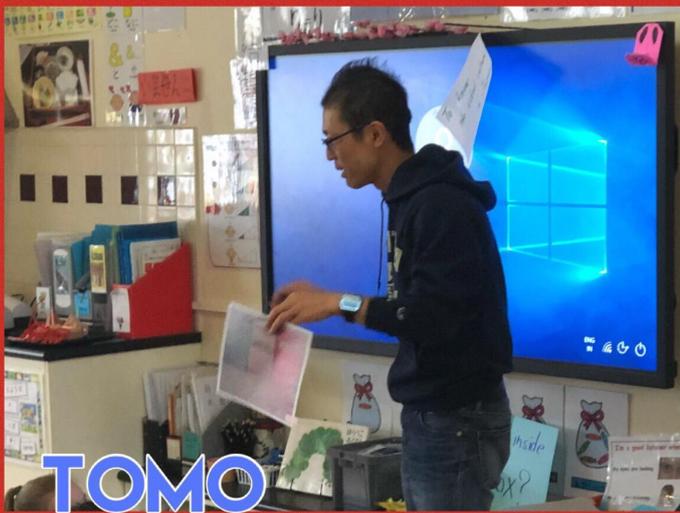

Special mention must also go to our Auskick coordinator, Dylan, for coordinating our Centre this year.

Sports Day

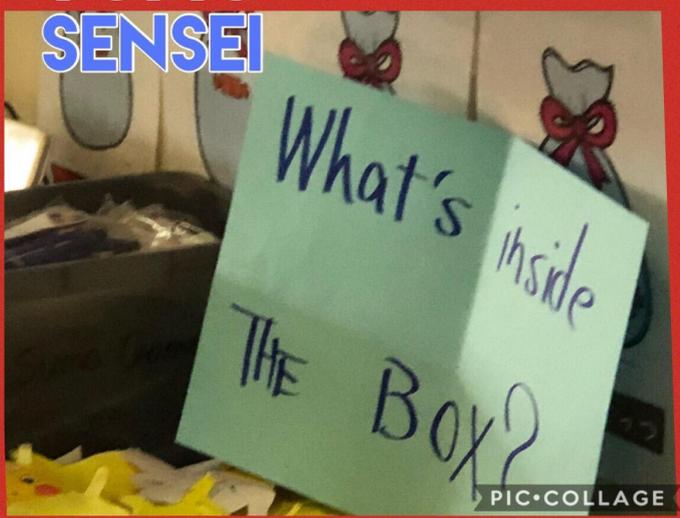

Sports Day is in the last week of this term, Thursday 27th September. We have finalised all the Sports Day teams. Parents, if you are unsure which team your child is in, teachers have put up the lists in the classroom windows for all to see. Don't forget brothers and sisters are in the same team and students can wear a plain t-shirt in your team's colour. Students must wear a school hat or wide-brimmed hat on the day.

Sports Day is one of the biggest and best days of the year on the school calendar and we would love to see as many people there on the day as possible!

**TOMO
SENSEI**

WELCOME TO OUR JAPANESE VISTORS

We are lucky to have a visiting Japanese Teacher from Yokohama, Japan. He is here for a week observing classes at Keithcot Primary School.

His name is Tomonori Ozawa, the children are calling him Tomo Sensei!

On Monday he did a couple of lessons. This photo is from the P2B lesson which was 'What's In The Box? ". It was about Japanese culture. He is a Year 5 Teacher in Japan.

On Friday morning we will also welcome 20 Japanese students to our school.

Term 3 update.

Helping kids to be Super Savers with School Banking.

How teaching your child money skills can fit into your everyday life.

There are many ways you can help your child learn the value of money in real-life situations. As a busy parent, it's a good idea if you can incorporate simple money lessons into your everyday routine, like at the supermarket.

Here's 3 lessons you can share with your child next time you shop:

- 1 Before you go to the supermarket, ask your child to help you write the shopping list and then organise the items into two columns: Needs and Wants. Then whilst you do the shop, let them tick off the items as they go to help reinforce the idea. They'll quickly start to understand the value of the items they really need.
- 2 When buying items at the supermarket, you can explain to your kids how items are priced and that you can get cheaper or more expensive versions of the same product. This is also an opportunity to discuss how you can shop around for the best price and sale items.
- 3 Let them choose an item they can buy using different coin combinations to practice their money skills in the real world.

Term 3 Super Savers Reward Items.

To encourage the habit of saving regularly, children can redeem a reward after they've made 10 School Banking deposits. Two new reward items are available in Term 3 (while stocks last):

- Mighty Boom Handball
- Heat Reactor Pencils (pencils change colour with heat)

Keep saving for a chance to win a family trip to Hawaii.

Just a reminder that this year, School Banking is running a Super Savers Grand Prize Competition that will take one lucky School Banker and their family of two adults and up to three children to Hawaii.

The trip includes:

- Return economy flights to Honolulu, Hawaii plus airport transfers
- 7 nights accommodation at the Sheraton Waikiki Hotel & Resort, staying in a Luxury Ocean Room, with beach views and breakfast included
- AU \$2,000 spending money

How to enter:

Simply make 15 or more School Banking deposits before the end of Term 3 2018 to automatically receive an entry into the competition.

Learn more about saving at commbank.com.au/schoolbanking

Things you should know: The 'Super Savers Grand Prize Competition' (Promotion) is conducted by the Commonwealth Bank of Australia (ABN 48 123 123 124) of Level 3C, 11 Harbour Street, Sydney NSW 2000. The Promotion starts at 9am AEDT on 22/01/18 and closes at 11.59pm AEST on 28/09/18. Entry is open to Australian residents aged 4–13 years only who have made 15 separate School Banking deposits into their Commbank 'Youthsaver' account during the Promotion period. Eligible entrants will be automatically entered into the draw. Maximum 1 entry/person. The first eligible entry randomly drawn will win a trip to Honolulu, Hawaii, USA for two adults and up to three children (aged 17 years and under), including 7 nights accommodation and AU\$2,000 spending money, valued at AU\$17,666. Terms and conditions apply. The draw will take place at 12pm AEDT on 10/10/18 at the address above. The winner will be notified by telephone and email, and will be published online at commbank.com.au/schoolbanking and in The Australian on 17/10/18. Winner must claim the prize by 5pm AEDT on 15/01/19 or the prize will be redrawn. The prize will be awarded to the winner's nominated parent or guardian. Conditions apply to accepting the prize. Full terms and conditions available from commbank.com.au/schoolbanking. Authorised under NSW Permit No: LTPS/17/18318, ACT Permit No: ACT TP 17/01989 and SA Permit No: T17/1878.
